Duration: 45 – 60 minutes	
Aim	This lesson explores types of learning with digital technology.
Target Group	Secondary School Students
Facility/ Equipment	<ul style="list-style-type: none"> ➤ Classroom ➤ Projector – To be able to show a video ➤ Internet Access
Tools/ Materials	<ul style="list-style-type: none"> ➤ Information Handout (Attached) ➤ Sticky-Notes
Main Activity	<p>1. Activity 1: What is your learning style? (15min)</p> <p>Have you ever wondered how you learn? Ask students to discuss in groups how they learn. Then ask them to complete this online self-assessment to find out what their learning style is.</p> <p>http://www.educationplanner.org/students/self-assessments/learning-styles-quiz.shtml</p> <p>2. Activity 2: Introduce types of learning with technology (25 min)</p> <p>2.1 Activity: Share the handout (Types of learning – attached) with the class and discuss briefly each learning style. Then, split the class in groups and ask your students to write down on a piece of paper how many of these learning styles they have used this week and in what lectures.</p>

	<p>2.2. Activity: Ask students what type(s) of learning from the list they prefer and why.</p> <p>3. Activity 3: How technology can improve learning (15 mins)</p> <p>Ask students to think about what digital technologies they have used for learning and discuss in groups how that improved their learning. Discuss the responses with the class.</p> <p>4. Wrap up (5 mins)</p>
<p>Assessments</p>	<p>Test using Kahoot or Socrative.com - Multiple Choice, True/False, Open answer questions</p>
